Russian Chemical Reviews is the English edition of the Russian journal Uspekhi Khimii (Успехи химии) which contains reviews on current topics in chemistry and related sciences. It is a joint publication of the Russian Academy of Sciences and Turpion Ltd, and was developed in association with the Royal Society of Chemistry. Uspekhi Khimii was founded in 1932 and is published monthly by the Russian Academy of Sciences. Translation into English began in 1960 with volume 29.
